[aditya.tamgade@gmail.com](mailto:aditya.tamgade@gmail.com)

MAHARASHTRA, NAGPUR.

## DESCRIPTION

A passionate and results-driven tech enthusiast with a solid foundation in Data Analysis and Full-Stack Web Development, integrated with AI. Skilled in analyzing complex datasets to derive actionable insights and in building dynamic, responsive web applications. I bring a combination of analytical thinking and development expertise to build intelligent, real-world solutions.

## EDUCATION

**B. TECH IN COMPUTER SCIENCE ENGINEERING.**

RASHTRASANT TUKADOJI MAHARAJ NAGPUR UNIVERSITY.

**GRADUATION YEAR:** 2025 | **RESULT:** PASSED WITH DISTINCTION.

## EXPERTIES

- PROFICIENT IN HTML5.
- SKILLED IN CSS3.
- JAVASCRIPT.
- DATA ANALYST.
- MONGO DB, MONGOOSE.
- REACT, NODE.JS, NEXT.JS.
- MY-SQL, RDBMS.
- POWER-BI

## CAREER EXPERIENCE

**JULY-AUGUST 2023- O.F. CHANDRAPUR. (TRAINEE).**

Collaborated with teams to ensure seamless functionality, enhancing operational efficiency and supporting various government projects, also learned how the data of thousands of employees are managed. Throughout the internship I also got to know about how the industry with such large employee-load works accurately without system failure.

**JANUARY-MARCH 2024- I-TECH INSTITUTE (TRAINEE).**

Gained hands-on experience in building responsive and user-friendly web interfaces using HTML, CSS, JavaScript. Learned industry-standard practices, improved skills in UI/UX design, component-based development, and frontend optimization.

## PROJECTS

- **RESTAURENT WEB-PAGE (frontend).**
- **Teacher Management System.**
- **Data Analytics Project: Hotel Booking Cancellation Analysis.**

## HOBBIES

- PHOTOGRAPHY.
- PROGRAMMING & WEB DEVELOPMENT.
- EXPLORING EMERGING TECHNOLOGIES.
